Spring 2019

Save the Date! C3 Conference 2019

The 8th Annual C3 Conference will be on August 6 and 7, 2019 at Bishop Alemany High School. Everyone from Archdiocesan parishes and schools are welcome to participate in this amazing professional development event. Visit <http://c3.la-archdiocese.org/conference.html>

2019 - 2020 school year is coming... Are You Ready?

As the sun begins to shine a little longer, we are reminded that now is the time to SPRING forward... to the upcoming 2019-2020 school year! Some schools may need direction on where to start.

Key factors to consider:

- Administration Updates - Who will be involved?
- Project Timeline and Expectations - What tasks will need to be completed and how long with this take?
- Device (Hardware) - Equipment evaluation. Any damaged devices that may need repair?
- Device (Configuration) - What will change? Users, Groups, apps, iOS updates?
- Do you need to purchase more devices? Visit the ADLA Online store at <http://store.la-archdiocese.org>.

New schools participating in the C3 IGNITE Program will receive an invitation from the C3 IGNITE Support team to consult on best practices for the upcoming school year. Any school who may want to schedule time with the support team to discuss options or recommendations is welcome to reach out to us at C3IGNITESupport@sprint.com. **Act now!**

Teachers! EdTechTeam is accepting applications for their **Summer 2019 Teacher Leader Cohort!**

A \$599 value, this free 12 week program is perfect for a teacher ready to expand their skills as an educator!

Limited to 20 scholarships, teachers are encouraged to apply today.

More details - <http://edtech.team/TLCC3ignite> or contact [Amanda Taylor](#).

Apple Classroom Support

Apple Classroom makes teaching interactive and engaging for students and teachers. It can also be challenging to utilize without a full understanding of the features and capabilities. Refer to the following Apple Support link for more information: <https://help.apple.com/classroom/ipad/2.3/#/>

Time to Renew! (sToken)

Within Apple School Manager is a sToken; like a digital key, it allows Workspace One to receive and manage app purchases from Apple School Manager. To ensure security and timely updates of service, the sToken will need to be renewed annually. Be sure to check Workspace One for renewal due dates. Details and instructions are available on the **C3 IGNITE Resource Site > Quick Reference Guides > sToken**.

The C3 IGNITE Newsletter is published quarterly by the Sprint C3 IGNITE Support Team.
