

C3 IGNITE Quarterly Newsletter

Summer 2019

C3 Conference 2019 #C3CON19

The 8th Annual C3 Conference will be on August 6 and 7, 2019 at Bishop Alemany High School. Plus a new exciting EDCAMP ADLA on August 5th! The C3 IGNITE Team hopes to see everyone there! Still time to register! Visit <http://c3.la-archdiocese.org/conference.html> for more details!

New School Year, New Apps?

As you prepare to redistribute your C3 IGNITE iPads for your new school year, you may have received requests to add new apps or remove old ones. We understand these tasks can easily be forgotten, but we have just the thing! C3 IGNITE Support has created a 'one-stop' shop including **Quick Reference Briefs** to guide you on some of the most common tasks you might need a refresher on. Just go to: <http://sprint.com/c3ignite> > **Training: Quick Reference Guide Step-by-Step > Common Tasks.**

If a more in-depth review is required, How-to videos and Self-Paced Guides (task specific) are available. Our team offers a monthly *Introduction to Device Management Training* webinar for new administrators looking for a complete overview. For more details, visit: <http://sprint.com/c3ignite> > **Training.**

**Cohort 2019 schools will receive their complete Device Management training upon delivery of student devices.*

NEW TRAINING AVAILABLE!

Advanced Online Device Management using Workspace One (1 hr).

For more details, visit: <http://sprint.com/c3ignite> > **Training > Instructor Led Webinar.**

Apple iOS 13 Update Coming Soon!

iOS 13 Preview Each Fall, Apple releases the newest iOS update for its devices. Keep an eye out sometime this September – October for iOS 13. While schools can update their iPads when they see fit, C3 IGNITE Support always recommends testing the update on one or two devices prior to deploying the update. This will minimize unanticipated glitches that could impact your service. For more information on iOS 13, visit: <https://apple.com/ios/ios-13-preview/>

EdTechTeam

C3 IGNITE Professional Development!

EdTechTeam has designed an entire year-long course just for C3 IGNITE teachers.

The course will begin in September and will run through the end of the school year. Each month new content will be loaded and will take around two hours to complete. All work is asynchronous and can be completed at any time. To receive 2 hours/units for each month there will be a small assignment to complete and turn in. The course will be semi-moderated, so help and guidance are available upon request.

More details: <http://edtech.team/TLCC3ignite> or contact **Amanda Taylor** (amanda@edtechteam.com).

Inspect those Devices!

C3 IGNITE recommends all schools allocate time each year to individually inspect and review all of your C3 IGNITE devices for defects and damage prior to issuing for the new school year. Devices under 3 years old can be submitted for repair by providing details to C3IGNITESupport@sprint.com. For more information, visit: <http://sprint.com/c3ignite> > **Device Warranty and Replacement.**

If your device is out of warranty and needs to be replaced, you can purchase a replacement through the **ADLA online store**: <http://store.la-archdiocese.org>.

Schools must register an account and look for Sprint iPad in the Education category.

The C3 IGNITE Newsletter is published quarterly by the Sprint C3 IGNITE Support Team.
