## Activity of the Week:

### Maker Easter Basket and Spring Treasure Box

Hello My Thinker Tank Friends!

It is time to design and create your own Maker Easter Basket with stuff around the house. If it is not Easter time that means it is time to make a Treasure Box.

#### Materials You Might Need (always ask for permission to use):

##### Material you could use for a basket or a treasure box:

- Cereal box or a Shoe box or a Tissue Box
- Plastic container or pail

##### For the Handle:

- Cardboard or anything you can think of that can work!

##### Materials to Decorate

- Stickers, Buttons,
- Paper to cover box.
- Markers or Crayons

##### Other materials you may need:

- Scissors, tape, and/or glue

##### Construct Your Easter Basket or Spring Treasure Box

- Gather your material for your Easter Basket or your Spring Treasure box.
- Think and then draw out your idea out. Be daring! Use your imagination
- For your Easter basket put on the handle (cardboard handles work well) your basket.
  - Check out [this video](#) on how to put on the handles.
  - For your Spring Treasure Box hinges check out [this video](#).
- Suggestions to decorate your basket or your box by:
  - Cover it with paper.
  - Use marker or crayons to color.
  - Use other stuff like stickers, buttons, ribbon, macaroni, fabric, yarn or anything you can think of and have permission to use.
  - Make your basket or box into an animal or object.
- Make it so you LOVE IT! Then add shredded paper to your basket or a treasure to your Box.

#### **THINK, THINK, THINK!**

Here are some videos to get you thinking about what to put inside your Easter Basket.
